

Invitation

The network Nuclear Free Gulf of Bothnia (Kärnkraftsfritt Bottenviken) together with Swedish and Finnish environment organizations invite all interested people especially in Sweden and Finland to a conference with many knowledgeable speakers, panel discussions and culture, at Medlefors in the city of Skellefteå in Västerbotten, northern Sweden. The conference will be held mainly in Swedish. If needed, whispering interpretation can be provided upon request.

Registration:

Participation fee **400 SEK** for the entire conference, only **300 SEK** for those **20 years and younger**. The fee covers the entire program incl. all food and refreshments. Accommodation incl. breakfast at Medlefors, in a double room 300 SEK /person night, or single room 500 SEK /night. **Registration is binding and is done on the website as soon as possible, no later than May 7.**
